1

and program recommendations in critical areas such as
education,

1 This is the second opportunity that we've
2 had to participate and to hear from Indian, American

1

the changing work force as a business woman, a

1 of the Commission that have joined us today; our
2 Executive Director, Judith Winston, and thank all of
3 you for your leadership and what you are doing to
4 advance the President's Initiative on Race in this
5 country today.

1 what is working and what is not working in that area.
2 I hope tonight that we can broaden the discussion,
3 that we can hear in details from you what we can do to
